

Damon Clear

At 40 years of age, Paula was concerned about her irregular teeth, especially the lowers.

Treatment was complete after 13 months using the Damon Clear brace without extractions.

Paula

Dr Horobin used the Damon Clear system without extractions.

Paula was delighted with the results.

Treatment was complete after 13 months using the Damon Clear system without extractions.

Progress after 4 months.

The finished result after 13 months.
